But the album was with ex-Rainbow bassist Bob Daisley next Iommi, keyboardist Geoff Nicholls, drummer Eric Singer and new vocalist Tony Martin.. I had it for a long time (almost 24 years) and I got it right from the cone in a snail shop.. James Dio 20 Seventh Star (1986) Originally planned as a Tony Iommi solo album, the seventh star was not so bad but badly marketed.. Cream, Disraeli Gears Released November 1967, when Black Sabbath is considered as the beginning of metal (they can), then cream may be the beginning of the beginning.
